InWeA INDIVIDUAL WAYS INTO WORK FOR PEOPLE WITH REFUGEE EXPERIENCE AND AN IMMIGRANT BACKGROUND IN GENERAL

A measure funded by the activation and
placement voucher (AVGS)

ENGLISCH

wib
Verbund

THE GROUP WE WANT TO HELP

People who are/were refugees or have an immigrant background in general and have psychological or health problems. The aim is to provide strong support for each person, to help them find work.

To get support, you need an 'activation and placement voucher' (AVGS). You can apply for the AVGS at the Jobcenter or Employment Agency.

OUR SERVICES

We can give you individual help and advice to find work in two courses: InWeA Basic and InWeA Plus. You can do just one course, or both – one after the other.

You can have counselling in InWeA Basic and InWeA Plus in **German, English, French, Russian** and **Arabic**. Translators help with other languages.

WIB – Weißenseer Integrationsbetriebe GmbH is a licensed agency according to employment promotion laws. This measure is certified according to AZAV.

InWeA BASIC (Measure No. 955/122/17)

How long: 3 months, 2 appointments per week

- Looking at your personal background (e.g. language, housing, family, health)
- Finding out what job skills you have and what interests (e.g. working skills and goals, qualifications and degrees – how to get them accepted by employers here)
- Talking with you and supporting you to solve psychological and health problems that stop you start work
- Empowerment, helping you to help yourself

InWeA PLUS (Measure No. 955/58/18)

How long: 6 months, 2 appointments per week

- Looking at what sort of job you can apply for (e.g. qualifications, degrees)
- Finding out what job skills you have, how to strengthen them, and what job you want (e.g. how you can widen your job skills, what jobs you have already done, what you want to do, skills and motivation)
- Support to find out what jobs you want to do
- Assisting you to find out what work you should realistically aim for
- Helping you to look for suitable work experience and jobs
- Talking with you about how to apply for jobs
- Support during the work experience and integration; giving you advice at work
- Empowerment, helping you to help yourself (e.g. using strategies learned to find work)
